

DOLCE & GABBANA

Dear Sir or Madam,

It is my pleasure to provide you with this letter of recommendation for **Julia Jönsson**. As Julia's direct manager at Dolce&Gabbana's Press Review Office, I worked closely to her for almost two years while she was covering her role as Press Review Specialist.

During this period, Julia worked in close contact with me and the team composed by other six people; demonstrating excellent communication, organizational and relational skills. Julia is a very efficient person in many different sectors even outside the role she was chosen for. In several occasions, she was selected to participate to events of great relevance, performing her task in an excellent manner.

Furthermore, Julia has a great capability in managing her working hours and a perfect knowledge of computer systems. To this purpose, she was appointed to the entire organization of the paper and digital library.

Finally, Julia masters perfect English, as she is mother tongue. She translated very complicated and technical pieces, as well as press releases and extensive interviews in an impeccable form.

I would like to restate my strong support for Julia as she is an energetic, motivated, competent and intelligent collaborator and I am confident that she will exceed your expectations in any future role, especially in the marketing and communication sector.

Please feel free to contact me, should you necessitate further information regarding Julia Jönsson,
